Deodorizing Neutral Cleaner

Description

A user friendly neutral cleaner that cleans and deodorizes in a single operation. Especially designed for floor care maintenance. This low to moderate foaming mixed detergent cleaner is completely free rinsing. Can be diluted with hot or cold water. Chelated so that it is effective under hard water conditions. This product emulsifies soils for easy film free cleaning.

Product Features / Benefits

- No rinsing required / Saves labor dollars
- Deodorizes / Leaves room with fresh clean scent
- Contains chelating agents / Effective under hard water conditions
- Concentrated formula / Economical to use
- Mixed detergent system / Works well on all types of soiling conditions
